

REMARKS

This application has been allowed. Applicant submits new dependent claims, Claims 31-37, that are based on allowed claims marked in the Notice of Allowance. Dependent Claims 31-37 are narrower than the allowed independent claims and are allowable based on their dependence on the allowed claims.

In addition, the subject matter of each of the dependent Claims 31-37 is fully disclosed and illustrated in the original specification of this application. Therefore, no new matter has been added by adding Claims 31-37.

Applicant respectfully submits that the claim amendments are properly based on the original specification and provides protection of the invention in specific embodiments in the added dependent Claims 31-37. Notably, dependent Claims 31-37 do not require substantial amount of additional work on the part of the Office. Therefore, Applicant respectfully requests the added dependent Claims 31-37 be considered and entered in the application for issuance.
